

“Leading you to a Brighter Future.”

Testimonials

The PACE Scholarship Academy and Mrs. Mihlbauer have been a tremendous amount of help during my first year of college. The scholarships that Mrs. M helped me find, paid for the difference that my LIFE scholarship and the Pell grant did not. The scholarships also assisted with books for my classes. I did not have to take out any loans this year because of the scholarships that I have received. Paying for college with the help of Mrs. M and PACE is the best way to go.

Annie James-USC-Columbia

I received a full ride to Clemson University thanks to The PACE Scholarship Program! A FULL RIDE! Mrs. M helped me by reviewing each of my essay submissions, my statements on my scholarship applications, and she helped me type dozens of them! This made my applications stand out from all others. Thank you from the bottom of my heart Mrs. M! I will be back again next year!

Chelsea Payden Channing-Clemson University

I am the parent, Stacey A. Chassereau, of Amanda Clayton. I heard of PACE through another parent that attended two of the workshops. Many parents do not like to pay to help our children with their educational needs, but we are willing to spend hundreds on clothing, shoes, etc. If you want the full ride or at least the majority of the expenses paid for college, contact Counselor Mihlbauer, PACE and her staff. Take all the workshops that they offer! All of them! It was worth it to spend \$240 than \$100,000 bucks for my child's education!

Amanda Clayton-College of Charleston

I would need an entire website to talk about Mrs. Mihlbauer and what she has done for me. I am currently in medical school at MUSC. I went through the process with Mrs. M. as a high school student and I received a full ride with her help to College of Charleston. I don't know what she does to find these unique scholarships, but it saved me the time. I filled out everything she put in front of me. I received 34 scholarships because of her program. I still had enough to still pay for a portion of medical school. She helped me find several internships during the summer months as well. I am now in medical school debt free because of this lady and her program. I am forever grateful to PACE. Thank you Mrs. M. and I love you!

WHO WE ARE

The PACE-Scholarship Academy was launched by certified Guidance/School Counselor, Melinda Baker Mhlbauer. Counselor Mhlbauer has worked with thousands of high school students through group presentations and one-on-one consulting for more than fourteen years. Counselor Mhlbauer has assisted students in acquiring full-ride opportunities to schools such as Clemson University, University of South Carolina, College of Charleston, Anderson University, Claflin University and Francis Marion University. Counselor Mhlbauer has assisted in securing three Francis Marion McNair Scholars since the conception of the PACE-Scholarship Academy.

PROGRAMS OFFERED

BOOT CAMP 101 is designed to give participants a 3-6 hour presentation to kick start student's preparation to begin the scholarship search process. This program is designed for eighth through twelfth grade students.

BOOT CAMP 101 REFRESHER COURSE is for high school seniors who either have not participated in a previous PSA workshop, or who need a refresher on the strategies that were taught in previous workshops.

SCHOLARSHIP LOCK IN is designed to have students work on scholarships for 4-6 hours with one on one assistance with essays, completing applications and preparing them for submission.

How is Our Program Different from Others?

PACE Scholarship Academy was created by a certified School Counselor that has spent years working with a diverse group of students to assist them through this process. Counselor Mhlbauer has worked with more than 10,000 students during this journey through workshops and public speaking. Many individuals, including her family have obtained full ride scholarships to numerous colleges and universities utilizing the PACE methods. Counselor Mhlbauer would like to encourage parents to invest in their child's future by allowing them to attend a workshop. "It is beneficial to spend \$40 than \$40,000 per year for your child's college education."
